Family Contract for Internet Safety

I WILL...

- Tell my parents about people I meet online. I know adults will pretend to be kids sometimes to get kids to talk to them.
- Tell my parents right away if someone sends me any pictures or e-mails that make me uncomfortable.
- Tell my parents if someone online asks me to do something I am not supposed to do
- Talk to my parents about rules for using the Internet, and I will follow them. We will decide about the time of day I can be online, how long I can be online, and the places on the Web that are okay for me to visit.
- Be a good online citizen and not do anything that hurts other people or is against the law.

I WILL NOT...

- Give out my address, phone number, school name or address, parents' names, or any other personal information to anyone I meet on the Internet.
- Call anyone I met online without asking my parents first.
- E-mail pictures of myself to anyone I do not know.
- Buy or order anything online without asking my parents for permission first.
- Fill out any form online that asks me for information about my family or myself without asking my parents for permission.
- Answer any e-mails or messages from someone I do not know.
- Agree to get together with someone I meet online.
