The dental benefit program provides a
20% CASH DISCOUNT
off an averaged dental fee schedule

Use **Group ID # E242** as you activate your benefit online to receive your Patient ID#. Immediately upon activation, you will be able to view all participating general and specialty dentists and discounted fees. Within a few days the card will be mailed directly to you. As an additional benefit, cardholders will have access to free savings tools such as a Health Savings Account to help budget for future dental visits.

We are glad you are a part of Emmett School District and hope you take advantage of this special program.
