

## Teacher Grant recipients from the Emmett Public School Foundation

Teachers have requested various additional resources for their classrooms and equipment that will enhance the educational process for their students.

Show above are from left to right: Wayne Rush, ESD Superintendent and EPSF Board member; Cory Daniels, EPSF Board Member, Sue Beitia, EPSF Board member; Blair Baumann, grant recipient for individual student whiteboards; Cindy Barrie, grant recipient for a sound system rack for Carberry Elem.; Shelly Gurney, grant recipient for a classroom audio sound system; Ken Maroney, grant recipient for successful note-taking materials; Rick Welch, EPSF Board member; Rick Johnston, EPSF Board Chair. Not pictured are Marge Smith, grant recipient for classroom materials for leadership; Amberlea Doyle, grant recipient for classroom peddlers; and Brittany Hammer, grant recipient for a Wetlands Explorers project.

These grants have been made possible through the interest from a generous donation from the Dean and Gay Welch Fund given to the Emmett Public School Foundation and invested through the Idaho Community Foundation.
